

We are one, we are one x2
The family of love,
Children of the Lord
We are one, we are one x2
Together we will stand as one

'cause love is the nature
The nature of our Father
We know no other way to live
We are children of God
In the family of love
We're bound to live a life of love

oh oh oh
We are one in the Lord's big family to shine
To shine, to grow
To love each other so
We belong to the great big family
Oh yeah, the Christ Love Family

We are one
Christ Love Family
We are one
Christ Love Family
We are one
Christ Love Family
